Terms and Conditions (as referenced in the Master Lease Agreement)

- A. Lessee agrees to care for the equipment properly, to use within its rated capacity and to ensure that the equipment is operated by qualified personnel with a valid driver's license and to prohibit anyone other than the Lessee's authorized personnel to repair or adjust the equipment.
- B. Lessee agrees to pay for all damage to the equipment resulting from improper use of abuse of the equipment upon receipt of invoices from Lesser for Lessee's cost and expense of repairs.
- C. Lessee shall take care of the normal needs of the equipment, including charging, air in tires, repair of flats, check water in batteries. Lesser will service and maintain the equipment in proper working condition during Lessee's normal business hours.
- D. Lessee assumes all risk and liability for and agrees to indemnify, save and hold Lesser harmless for all claims and liens, all loss or damage to the equipment and all loss, damage, claims, penalties, equipment or the storage, use or operation thereof. Lessee, at its own expense, shall carry adequate public liability insurance against bodily injury, including death, and against property damage; shall keep all equipment insured at its full insurable value against fire and theft and extended coverage.
- E. Lessee agrees to pay Lesser for any physical damage of theft of equipment or chargers. The stipulated value of each car is \$_____ and each charger is \$_____.
- F. Title of leased property shall remain in Lesser. Lessee shall acquire no ownership rights nor have a right to purchase the leased property by virtue of this Master Lease Agreement.
- G. In the event of default by the Lessee of this Master Lease Agreement, Lessee agrees to pay to the Lesser interest at the highest legal rate on all sums due on affected Lease Agreement(s) from their respective due dates.
