• **How are caterers paid?**
  - When Requisition and Purchase orders are used, (our preferred method) the vendor is paid based on their vendor set-up. If ACH information is provided, the payment will be sent directly to their bank account. This is the quickest method. Otherwise, payment will be issued by Check – which can take up to two weeks since we do not print checks in-house.
  - All orders over $2,500 must be paid through Check or ACH. No Exceptions
  - As a last resort, the P-card can be used for orders under $2,500.

• **Can you process an After-the-Fact-Requisition to pay for catering?**
  - No, After-the-Fact (ATF) requisitions are **not** an acceptable payment method for catering. ATF requests for catering will be denied. The requestor will be required to obtain a quote from the caterer and enter a Requestion. Once Requestion is processed Net 30 terms will apply from that date.
